A book has two covers.
A front and back cover.
Hi-ho, did you know
A book has two covers?

The words are on the pages.
The words are on the pages.
Hi-ho, did you know
The words are on the pages?

A book has a spine.
A book has a spine.
Hi-ho, did you know
A book has a spine?

Letters make the words.
Words tell the story.
Hi-ho, did you know
Words tell the story?

The title is the name.
The title is the name.
Hi-ho, did you know
The title is the name?

We read from left to right
And then from top to bottom.
Hi-ho, did you know
We read from left to right?

The author writes the words.
The author writes the words.
Hi-ho, did you know
The author writes the words?

The characters in the story
Might be people or animals
Hi-ho, did you know
Characters are in the story?

The illustrator creates the pictures.
The illustrator creates the pictures.
Hi-ho, did you know
The illustrator creates the pictures?

We start at the beginning
And read until the end
Hi-ho, did you know
We read from beginning to end?
